Dear Parents,

Parents body is like back bone of the school. The school management joins me in appreciating the contributions of parents in different ways. Please take time to tick the areas where you would be able to help the school.

1. Play, Maths, English or other games once a week with little ones, Juniors and Seniors
2. Offer transport in time of need. You will be informed well in advance
3. Help the teachers in making teaching aids. You can also do this at home
4. Substitute a teacher when she/he is on leave.
5. Do PR work to raise funds for the school
6. Like to take few children for an outing on weekends
7. Invite few children for one or two hours to your home on weekends
8. Do one to one teaching for a child twice a week. Method will be taught to you
9. Share your God given talents with the children, like Story-telling, any special kind of art, dance, music, etc.
10. Take the children for an educational trip like Post Office, Banks, Bus Station, Railway Stations, etc
11. Please add in any other way you can help the school, write below.

Thanking you for your co-operation.

Yours Sincerely,

Rita James

Principal
